Message from
Council Chair Tommy Waters

Aloha mai kākou,

On behalf of the Honolulu City Council, it is my privilege and honor to present you with the 2024 Honolulu City Council Calendar, which outlines our monthly full council meetings and designated committee weeks. Our council meetings are the cornerstone of our democratic process, and we welcome your active participation in helping to shape the future of our city. Your perspectives, insights, and ideas enrich the diversity and vibrancy of our city as we work together to create policies that reflect - and are responsive to - the unique needs of our people, neighborhoods, and communities across O'ahu.

Equally important are the designated committee weeks, where proposed measures undergo rigorous examination by our standing subject matter committees. These committee meetings are a testament to our dedication to thoroughness and diligence in governance. It is in these various committees that we will focus on important topics such as public safety, housing, community development, and the environment. Your active participation in these meetings is one of the best ways to contribute to the development of innovative solutions to address the challenges we face in our communities.

I cannot overstate the importance of the role all of you play in our legislative process. Whether you choose to attend in person or participate online, your mana'o matters. I invite each and every one of you to join us in shaping the future of our city. Your passion, concerns, and dreams for the City and County of Honolulu are the driving force behind the many improvements we see throughout O'ahu. Together, we are building a more resilient, inclusive, and forward-thinking city, and I can't wait to see what the future holds for us all.

Me ka ha'aha'a,

Tommy Waters
